Advanced Blood Sugar Solution™ Frequently Asked Questions

Q. How do I take Advanced Blood Sugar Solution™?

A. The recommended dose of Advanced Blood Sugar Solution™ is one capsule before a meal twice daily, or as directed by your health care professional.

Q. How long will it take before Advanced Blood Sugar Solution™ starts to work?

A. Some people start to notice a difference within just a few weeks. You should begin to notice a difference within 60 days and even better results within 90 days. It's important to remember that natural supplements affect people in different ways. Therefore, it may take longer for some people to experience optimum results.

Q. Can I take Advanced Blood Sugar Solution™ if I am hypoglycemic?

A. Although Advanced Blood Sugar Solution™ helps balance blood sugar, if you are hypoglycemic you should consult with your health care professional before taking this supplement.

Q. Can I take Advanced Blood Sugar Solution™ with my insulin or other medications?

A. You should consult with your health care professional before taking this product with insulin or any oral hypoglycemic agents. If you have any concerns about combining supplements with any medication, consult your pharmacist or health care professional. Be sure to seek proper medical advice before adjusting any medications.

Q. Is Advanced Blood Sugar Solution™ organic or kosher?

A. Advanced Blood Sugar Solution™ contains all-natural ingredients. It is not an organic or kosher product.

Q. Where is Advanced Blood Sugar Solution™ made?

A. Advanced Blood Sugar Solution™, along with all Health Resources™ brand products are made in the United States. Our manufacturing is performed in fully licensed and FDA certified facilities to assure compliance with industry guidelines, government regulations and quality assurance practices.

Q. Where does the ingredient Policosanol come from?

A. Policosanol is derived from sugar cane. It's almost impossible to keep your cholesterol levels healthy when your blood sugar is out of control. So, as an added benefit, Advanced Blood Sugar Solution™ contains Policosanol to help lower your cholesterol, promote healthy blood flow, and help shield you from circulatory disasters!

Q. Can children take Advanced Blood Sugar Solution™?

A. Before adding any supplement to a child's regimen, you should consult with your health care professional.
